

Term 3 Extra Curricular Activities

We have some brand new ECAs and some old favorites for our third term this year. Term 3 ECAs will start on Tuesday, April 25, 2017 and will end on Friday, June 16, 2017. All ECAs start at 3:05 pm and end at 4:00 pm on Tuesdays, Thursdays, and Fridays. On Wednesdays, ECAs will go from 1:30 pm to 2:30 pm (unless otherwise stated in the ECA description.)

To register for a club or activity, please visit our website: <http://tarbiyahacademy.com/academics/ecas/>

TUESDAYS 3:05 pm – 4:00 pm

Fencing

Fencers with little or no fencing experience will have the opportunity to work with a patient, experienced instructor to learn the fundamentals of fencing. Each day will include games to improve athletic conditioning and strategic thinking, as well as group instruction and drilling to learn fencing skills and concepts.

INSTRUCTOR: Larbi Soufiane

TA COST: \$110

AGES: KG – 6th grade

NON-TA COST: \$135

Cooking

In the Cooking Club - Students will work together to follow simple recipe and prepare food from different countries. Students will learn about appropriate practices with health and food handling safety. Students will learn basic cooking terms, and how to use cooking utensils. Some examples of the recipes are: Quinoa Enchilada Casserole, Burrito Bowls, and Blackberry-Banana Lemon Trifle.

INSTRUCTOR: Sarah Maher and Jannah Sanchez

TA COST: \$75

AGES: KG – 6th grade

NON-TA COST: \$125

LIMIT: 10 Students

Jewelry Making

In Jewelry Making this term, we will be working on, not only building students fine motor skills, but also working with patterns and following multi-step instructions. Students will enjoy persevering through to the end of a project so that they may take home their very own creation. This term in jewelry you can expect to be making the following projects just to name a few: beaded key chain ring, bead barrettes, and a shrink art pendant necklace. We will also create many recycled materials projects using plastic, yarn, and other recycled materials to create a popsicle stick cuff bracelet and a straw friendship bracelet. Students will explore the idea that not only is jewelry fun it can also be environmentally friendly and very easy to make by collecting and saving old materials. In this class, we aim to teach skills that students can use independently to create these projects repeatedly.

INSTRUCTOR: Crystal Walcott

TA Cost: \$50

AGES: 2nd-6th grade

NON-TA COST: \$100

LIMIT: 10 Students

WEDNESDAYS 1:30 – 2:30 pm

Martial Arts

This class will help kids develop positive attitude, respect, focus, fitness, and self-discipline. Students will be picked up from the school and will be accompanied by an instructor to and from Awesome Martial Arts next door. Please pick up your child from TA by 2:30 pm.

**Free uniform included for new students.

AGES: KG – 6th grade

NON-TA COST: N/A

LIMIT: Minimum 10 Students

THURSDAYS 3:05 pm – 4:00 pm

Scrapbooking

Students will explore the art of capturing memories and showcasing them in a scrapbook. Using their own photos and special scrapbooking tools and materials, students will create a scrapbook, composed of thematic pages and designs. Students will also explore reusing every day materials as creative prompts for their scrapbooks, as well as learn how to keep souvenirs in a scrapbook without damaging their mementos. They will also learn about captions and how to add these to their scrapbooks in an effective manner. Each student will create one 12inX12in scrapbook and will need to bring in photos and keepsakes from home to add to their scrapbooks

INSTRUCTOR: Aisha Karachiwalla

TA Cost: \$50

AGES: KG – 6th grade

NON-TA COST: \$100

LIMIT: 10 students

Cartoon Critters – Cartooning Workshop

Children love cartoon characters and how their simplified lines and shapes show personality and feelings, they also love animal inspired cartoon characters especially when they are personifying human stories.

To jumpstart students' imagination, they will learn how to draw some types of cartoon animals, they will explore shapes, patterns, and textures of the animal kingdom and will develop their own cartoon critters in this cartooning workshop by combining basic shapes and exploring the anatomy, posture, and use of reference material. They will give their character depth and personality. Students will then imagine its name, the setting and a basic story.

INSTRUCTOR: Ouafae Taame

TA Cost: \$75

AGES: KG – 6th grade

NON-TA COST: \$125

LIMIT: 10 students

Chemistry Club

Come join us for some experiments to explore atoms and molecules, the building blocks of everything. Learn about acids and bases coming together in special and important reactions. See how mixtures take on the characteristics of the molecules in them. In Chemistry Club, you will have a better understanding of chemistry and have fun doing it!

INSTRUCTOR: Shabana Ahmed

TA COST: \$75

AGES: 1st – 3rd grade

NON-TA COST: \$125

LIMIT: 8

FRIDAYS 3:05 pm – 4:00 pm

Chess

Chess is a fun game that incorporates many aspects of the IB learner profile: knowledgeable, inquirers, thinkers, communicators, principled, open-minded, caring, risk-takers, balanced, and reflective.

The Chess Club gives students an opportunity to play friendly games of chess against their peers in a low-stress environment. Students of all levels are welcome to come, as help is given to those who need it. Students are taught the basics of the game, rules, opening strategies, Castling, and middle chess strategies.

INSTRUCTOR: Shaista Abbasi

TA Cost: \$50 **AGES:** 2nd - 6th grade

NON-TA COST: \$100 **LIMIT:** 8 Students
