## Wednesday 4:05 pm – 5:00 pm

### Woodworking

This term in Woodworking ECA students will be reviewing names of simple tools when woodworking. We will be researching and finding different project ideas for students to choose a passion project for them to work on. As a class, we will also be creating a spice garden and using an old wooden pallet and creating a new look for it. Students will learn that some projects can be made using older wood which will give a unique and antique look for their project. Students will also be creating a work of art using nails and yarn to create a unique image of their choice and making it into a hanging plaque. For this term as our school improvement project we will also be making a corn-hole game board for our new playground. This game board is like a bean bag toss game and is large and will be used by our students during recess time. Look forward to a great and educational time working with wood, calculating measurements, and exploring creativity all in one ECA!
